# IF YOU CAN WALK ON IT, WE HAVE A BETTER SOLUTION...

**E**lite Crete Systems is the premier manufacturer of a complete line of products and solutions for Exterior Decorative Architectural Overlayments and Beautiful Custom Seamless Flooring.

These products and systems were originally engineered and designed as a surface restoration solution to structurally sound, yet surface deteriorated concrete. But over the past 20 years they have evolved into much more useful, as well as aesthetically pleasing, applications that homeowners, business owners, designers and architects demand.

These finishes include, but are not limited to, the look and feel of authentic stone, slate, tile, brick, marble, wood and granite and can be customized to match or enhance any design or theme you can imagine. With literally unlimited amounts of colors, textures patterns and designs, the imagination is the only limitation!

Ideal for, and installed on, over a million square feet each year for on driveways, patios, residential and commercial pool decks, interior floors, retail stores, shopping malls, massive casino developments, schools and colleges, college and professional sports arenas, auto dealerships, restaurants and so much more.

# EXTERIOR HARDSCAPES

Homeowners and businesses spend thousands of dollars on landscaping each year yet simply “accept” that their exterior concrete is plain, gray or even old, stained and deteriorated. With Exterior Decorative Architectural Overlays, we can provide solutions that will transform your existing concrete into beautiful finishes that are not only aesthetically appealing but actually stronger and more resistant to salt, staining, freeze/thaw and even traffic and wear.

## BENEFITS INCLUDE:

- Unlimited color, design, pattern and texture options (yes plain gray is an option too).
- Ultra durable and long lasting.
- Permanently applies directly to your existing new or old concrete surfaces.
- Cost is much less than you think and less than pavers, stamped concrete, brick, stone, etc.
- Typical applications are completed in only a few days with little or no inconvenience.

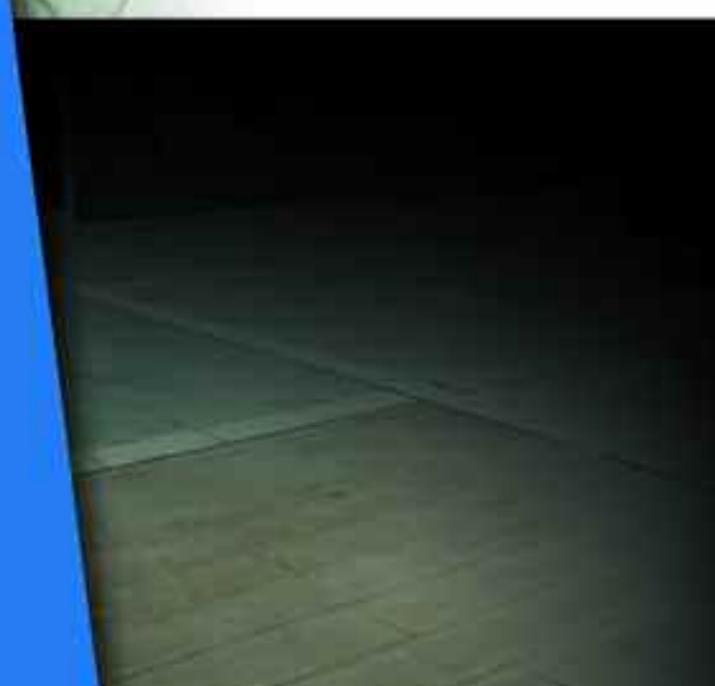

## IDEAL FOR:

- Driveways
- Residential or commercial pool decks
- Patios
- Sidewalks
- Porticoes
- Entry ways
- Court yards
- Theme parks
- Sports arenas
- Auto dealerships
- Schools
- And so much more...

## SERVICES WE PROVIDE:

As the leading manufacturers of products for decorative concrete finishes and seamless flooring we have over three decades of experience in:

- Manufacturing and engineering
- Installations
- Training
- Product development
- Technical support
- Product specifications
- Business development
- And more...

# CUSTOM INTERIOR FLOORING

Tile, wood, carpet, terrazzo and marble... Until now, those were your flooring choices and each has obvious disadvantages to add to the lack of design options. Custom Interior Flooring by Elite Crete Systems raises the standard of floor covering options, offering flooring finishes that are not only much more durable than conventional flooring products but completely customizable with unlimited color, design and pattern choices.

## BENEFITS INCLUDE:

- Literally unlimited design options. If you can imagine it, we can do it.
- So durable, you can drive a semi truck on it. You can't say that about typical flooring products.
- Maintenance is so simple. Mop it and wax it. Done.
- Will not stain like carpet or tile grout lines.
- Will not crack like tile from the impact of something being dropped on it and will not gouge like wood flooring.

## IDEAL FOR:

- Retail stores
- Hotels and casinos
- Living spaces
- Office buildings
- Schools and colleges
- Auto dealership showrooms
- Garages and large parking garages
- Medical offices
- Sports arenas
- Shopping malls
- And so much more...
